***Total Career Success With Ken & Sheryl Dawson —
VoiceAmerica Internet Radio Show***

Consultant & Author Doug Gehrman on Leadership for Life

Houston, TX -- Consultant, professor and author, Douglas Gehrman will be featured on Total Career Success, an internet radio show on VoiceAmerica Talk Radio Network, at 11 a.m. Central on Monday, January 5, 2009. The show is designed to inform listeners and encourage them to achieve their career goals by featuring experts who provide advice on job search and career advancement.

The topic of the show will address how to become a transformational leader. Doug Gehrman was most recently assistant professor of management and program director of the MS-Human Resources Management program at Houston Baptist University, where he taught courses on human resources management and leadership. Before joining Houston Baptist University, Doug was Managing Director for Bridge Consulting Group where he helped clients effectively manage change and develop leaders. Prior to his consulting and teaching years, Doug had a distinguished career leading human resources for major financial and energy companies culminating in his role as Executive Vice President. The lessons from his vast experience are distilled in his new book, *Leadership for Life – Your Guide to Becoming a Transformational Leader*.

Sheryl Dawson shared, "Having known and worked with Doug for many years, I can attest to his qualification to write on the topic of leadership. It is a rare privilege to watch someone progress throughout their entire career and achieve the highest organizational levels of their chosen field, as well as realize the pinnacle of their personal career aspirations. Doug has done just that – along the way he has been an inspiration to many!"

Ken Dawson added, "Leadership for Life is a gem of a book. Doug has revealed the path to true leadership success, regardless of your chosen career, industry, function or role. The bottom line is that anyone can be a leader if they follow the principles that Doug so clearly defines and exemplifies. The book itself is transforming."
