Total Career Success With Ken & Sheryl Dawson —
VOICEAMERICA INTERNET RADIO SHOW

***February 2, 2009 Show Features Robert Bunker, Sr. Vice President,
Brookwood Group on Optimizing Career Success for a Life Time***

Houston, TX -- Robert Bunker, Senior Vice President, Brookwood Group, will be featured on Total Career Success, an Internet show on VoiceAmerica Talk Radio Network, at 11 a.m. Central on Monday, February 2. The show is designed to inform listeners and encourage them to achieve their career goals by featuring experts and business leaders to provide advice on job search and career advancement. The topic of the show will focus on the steps to optimizing one's career success.

Robert Bunker has more than 45 years of Program, Project and Organizational Management experience in government service and private industry serving both public and private sector clients. After a career in the US Army he retired as a Major General, served in the U.S. Army Corps of Engineers, and then became an executive with a major engineering and construction firm where he directed first their Asian operations and later their logistical support operations to our deployed military forces in the Balkans. He subsequently became an entrepreneur in the communications technology field. More recently, as a corporate officer with the Atlanta-based construction program management firm, Brookwood Group, he has managed a variety of large scale projects. His breadth of experience and multiple careers in government and industry provides a rare combination of insights and lessons that listeners can apply to advance their own careers.

"I have known Bob Bunker for many years," Sheryl Dawson, co-host shared, "and consider him a model for career success. He exemplifies all the critical qualities and attitudes essential for achieving one's goals and aspirations regardless of one's chosen career or background."

Ken Dawson, a show host added, "Better than anyone I know, Bob has mastered and implemented the techniques and principles of *Job Search: The Total System* in his career transitions to achieve ongoing success. The career and life lessons he shares are for everyone. Don't miss this opportunity to hear his wisdom on career and life success."

To listen to the broadcast, please visit www.voiceamerica.com and click on the Total Career Success icon. The show will air live at 11 – 12 noon Central on February 2 and will then be available as an archive on the web site or to be downloaded to MP3 players and cell phones.

About Robert Bunker

Robert Bunker is Senior Vice President of Brookwood Group, an Atlanta-based construction program management firm. He has more than 50 years of Program, Project and Organizational Management experience in government service and private industry serving public and private sector clients. Prior to joining Brookwood Group he was Chief Executive Officer of TGA Technologies, Inc., a small and privately owned Communications-Electronics company in Norcross, GA. Mr. Bunker held in a variety of positions including Senior Vice President of an international engineering and construction firm where he served first as corporate manager for Asian operations and later as the Theater Director for logistics and construction support contract to US Army and Air Force units deployed in Eastern Europe responsible for 9400 U.S. and foreign national employees in forty installations in a demanding and ever-changing environment; U.S. Army Corps of Engineers where he led support for large-scale Corps of Engineers projects domestically and internationally and served in executive management functions for the Department of the Army. Bob's early career was in the US Army and he is a Retired Major General. Mr. Bunker received his SM Civil and Nuclear Engineering, Massachusetts's Institute of Technology, BS Military Engineering, U.S. Military Academy and SMG/NISM Kennedy School of Government, Harvard University. He is a registered Professional Engineer. Mr. Bunker has received numerous awards including Distinguished Graduate, U.S. Military Academy and National War College and the Distinguished Service Medal, U.S. Army. He is a Fellow of the Society of Military Engineers, and a Member, American Society of Civil Engineers. Bob and his wife Marion are engaged in a number of church and civic activities in the Atlanta area.
